Contact the town offices or visit [www.springfieldvt.govoffice2.com](http://www.springfieldvt.govoffice2.com) for the latest information.

All kinds of batteries are accepted and recycled **for free** at the Transfer Station: rechargeable, AA, AAA, C, D, 9v, hearing aid, and watch batteries.

Fluorescent tubes and bulbs have mercury in them so they need to be disposed of properly. The Transfer Station accepts those **for free**.

Televisions, computer monitors, printers, hard-drives, and peripherals are recycled **for free** at the Transfer Station.

Useable, saleable **clothing** is accepted at the Second Chance Shop at the Transfer Station and at the SEVCA Good Buy Store on Main Street in Springfield. Ask at each location if they will take clean and dry linens, shoes, purses, belts, gloves, towels, sheets, and stuffed animals; Planet Aid used to accept them but they have pulled all of their yellow donation boxes from our area.
